### Symptom (öffentlich)

Are there also other possible ways of applying for a Master's degree programme?

### Problem (öffentlich)

I would like to use a different way of applying for a Master's degree programme, e. g. I would like to use a self-compiled paper application form. Is this possible?

### Lösung (öffentlich)

No, this is not possible. There is no alternative to the online application form!

Only applications via <http://www.campo.fau.eu> ["<http://www.campo.fau.de>"] are accepted. Whoever uses a different way of applying will not take part in the qualifications assessment procedure and, thus, cannot commence a Master's degree programme at our University.
