Indication of semester of study

Symptom (öffentlich)

I intend to apply for a Master's degree programme. Which semester of study do I have to indicate?

Problem (öffentlich)

I intend to commence a Master's degree programme. On the online application portal I have to indicate the semester of study. I can choose between 1 and 4. I would like to commence the Master's degree programme right from the start, but it will take me 4 semesters to finish it. Do I have to choose semester 1 because I intend to commence the Master's degree in the first semester or do I have to indicate 4 because it will take me at least 4 semesters to finish the Master's degree programme?

Lösung (öffentlich)

You have to choose "1" because you apply for the first semester of study. You do not have to indicate the duration of your studies.
