### Keywords

online application portal for Master's degree programmes, several languages

### Symptom (public)

Is the German online application portal also available in other languages?

### Problem (public)

I would like to apply online for a Master's degree programme at Friedrich-Alexander-Universität Erlangen-Nürnberg (FAU). However, my German language skills are not sufficient to understand the information given on the online application portal. Is the online application also available in another language?

### Solution (public)

We want to make sure that the online application portal can be easily understood by applicants who do not have sufficient German language skills to understand the German information and explanations given on the online application portal.

Therefore, the online application portal is also available in English: "<http://www.campo.fau.eu>".
