### Symptom (public)

### Problem (public)

How to apply for an ERASMUS+ exchange?

### Solution (public)

First of all, in case our universities have an existing ERASMUS+-contract, you will have to apply at your home university for being nominated for the ERASMUS+ exchange semester at our university.  
As soon as our university has received your nomination from your home university you will be sent a link to the application via e-mail.
