Solution (public)

German: Organisationsbeziehungen ["<https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossar/Organisationsbeziehungen>"]

An attribute whose value contains the combination of a persons relation to an organisational unit, and the organisational unit itself. E.g. student@uni-erlangen.

In the FAU's IdM Metadirectory, this information is not stored in an attribute, but in an object under ou=affiliations.
