German: Erweiterungspaket ["<https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossar/Erweiterungspaket>"]

An add-on package is a service package ["[https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossary/Service\\_Package](https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossary/Service_Package)"] complementing a basic service package ["[https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossary/Basic\\_Package](https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossary/Basic_Package)"] in one or more functions, or adding new services. Add-on packages can be interdependent, meaning that not all possible combinations are viable.
