German: DN [["https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossar/DN"](https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossar/DN)]

DN stands for Distinguished Name

A Distinguished Name is used to uniquely identify an entry within an LDAP Directory [["https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossary/LDAP_directory"](https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossary/LDAP_directory)]. It consists of all Relative Distinguished Names [["https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossary/RDN"](https://www.helpdesk.rrze.uni-erlangen.de/faq/Glossary/RDN)], starting at the entry itself up to root.
